29-30 June 2017, PARIS

Draft Agenda

Venue: La Maison de l’architecture

(148 Rue du Faubourg Saint Martin, 75010 Paris)

General comment: The 2017 ENYA project theme revolves around youth identity and relationships, including sexuality education. In particular, young people participating in the project exchanged views and explored their peers’ opinions on how they feel they can gain respect from adults, how they can gather necessary information and how they can freely express their opinions on issues connected with their identity and relationships. Eleven ENOC member institutions participate in the project.
