WHAT IS AGENDA?

AGENDA has been developed with young people for young people.

AGENDA supports your right to speak out about and change things that matter to you.

AGENDA has equality, diversity, children's rights and social justice at its heart.

AGENDA connects you to the creative ways young people in Wales and beyond are challenging gender-based and sexual violence.

Activism, comes from the Latin *agere*, "to do" and *actus* "a doing, a driving force, or an impulse." People who *do* and *act* on something they believe in that benefits the lives of others around them are activists.

What you choose to do to create the change you want to make happen, is up to you.
